

Questions Answered: Town of Callahan, Florida Design Build Project

QUESTION:

Is the Davis Bacon and/or the American Steel and Iron Act a requirement on this project?

ANSWER:

No. The DEO Grant for this project does not require either Davis Bacon or American Steel and Iron Acts to be applied.

Question:

The design build contractor will not be able to acquire easements on the Town of Callahan's behalf (Page 9, section G. Survey). What will be the plan for this?

Answer:

The Town of Callahan will acquire any easements that are necessary after the winning bidder has identified them as necessary to complete the project.

Information Sharing:

We are expecting information from the Site Plan that is being completed shortly that may help in your design, for example Geo-Tech of the terminus of the lines and the water tower and lift station. If you wish to receive this information, please register an email address with Mike Williams at pwd@townofcallahan-fl.gov and he will forward to you when he receives it.

Please monitor the Town website townofcallahan-fl.gov for further addendums
