IX. Around the Table

- **Mayor Knagge-** I will be out of Town May 21, 2026- May 30, 2026. I have designated Mrs. Fleming as Acting Mayor.
- **Mrs. Fleming-** New citizens have come to me to complain about the traffic on Booth Street. With concerns of habitual speeding and have requested speed humps on Booth. A new family has just moved in and they have six young children so there's a lot more kid activity on the street than before. I have had people specifically between 4th Avenue and 5th Avenue come and tell me they would like to see speed humps down that road and they would like to see more than one. I know we discussed the one-way road however that was not popular by all, we discussed widening the road but we don't have the space available. I know placing speed humps could come with its own set of issues, I just wanted to inform what has been asked of me. If I need to get letters of support, I can provide them.
- **Mrs. Bishop-Vargas-** None

- **Mrs. Williams** – Nassau Emergency Management put out a burn ban update, I know the office will get calls so it's OneNassau.com that has the restrictions.
